Dear Mr. Meads:

I am writing to extend my gratitude for the support of the Harris County Emergency Services District #1 and your assistance in an enforcement operation conducted by the Houston office of the United States Immigration and Customs Enforcement.

On June 25, 2008, Emergency Medical Technicians Troy Parks, Paul Pennington, Willie Sanders and Robert McCabe responded to our request for an emergency medical stand-by for a criminal search warrant execution by ICE. This team assisted with several medical issues during our operation, and their professionalism and dedication are to be commended.

Sincerely,
