Dear Mr. Meads:

I am writing to extend my gratitude for the support of the Harris County Emergency Services District #1 and your assistance in an enforcement operation conducted by the Houston office of the United States Immigration and Customs Enforcement.

On April 16, 2008, Emergency Medical Technicians Kevin Matlock, Doctor Curtis, Troy Curtis and Willie Sanders responded to our request for an emergency medical stand-by for a criminal search warrant execution by ICE. This team was standing by to assist with any medical emergencies during our operation, and their professionalism and dedication are to be commended.

Sincerely,
