

Harris County Emergency Services District 1

Harris County Emergency Services District 1 (HCESD1) is currently accepting applications for a Relief EMS Supervisor.

The responsibilities for this position include, but are not limited to:

- Provide or assist in providing an ongoing plan to care for patients via therapeutic use of self, the established pre-hospital process, the environment, instrumentation, and other health care team members and interacting agencies. Provide or assist in the process of providing patient care, scheduling, assignments, outside agency relations, management functions and tasks assigned by the Director of EMS and other daily activities essential to the operations of HCESD#1.

Job Requirements:

- Must be a Paramedic in good standing and certified/licensed by the Texas Department of State Health Services. Must be in good clinical standing with HCESD #1. Must have valid Texas Drivers License and meet insurance requirements. Must display excellent working knowledge of current HCESD #1 policies, procedures and medical protocols. Must have minimum of 12 consecutive calendar months experience as an In Charge Paramedic with a progressive EMS. Must be American Heart Association CPR Provider; Pediatric Advanced Life Support Provider (desired, not required); Advanced Cardiac Life Support Provider; Basic Trauma Life Support Provider (PHTLS Provider certification accepted).

To apply for this position, please complete the online application on the Harris County ESD 1 website (www.hcesd-1.org) on or before Friday, February 26, 2010.
